“ I'll miss our hunting and wood working so much. You and I connected from day one. While we didn't always see eye to eye on everything, we did when it came to Mother and the things in your life that were important. I'll be celebrating your life, but I will miss you and your strong convictions. You're an honorable man. I'm glad we had our bricks put in the Legion's monument. Our link will be seen there forever. “ Joe was my grandfather through his second marriage and a wonderful man. He made my grandmother very, very happy and I loved that about him. I will miss him immensely and I know many people will. He was "old school" and that's what made him great ;)

*Miss you already Joe*

*<3 always*
