“ *Just last week we sat at Cindy's and Joe came over and sat with us and we talked about years ago when we were both in business, and talked about kids and said he was going in for surgery, but said no more about that, just went on laughing about years ago talked about us still going to Florida each year. When I saw this obituary this morning I was in shock could not believe it, Joe always knew you no matter where he met you and always had that smile. R.I.P. Joe, you will be missed.*
