

Joshua Martin Reed

January 19, 1983 - November 27, 2015

JOSHUA MARTIN REED

Joshua Martin Reed, 32, of Great Bend, PA entered into rest on November 27, 2015 at his home after spending the best days ever with his entire family. He is survived by his parents, Jon and Jan Reed; three siblings, Eric and Mari Lewis, Jessica and Kris Wright, and Justin and Sarah Reed; seven nieces and nephews, Kevin, Jillian, Michayla, Maia, Ethan, Emma, and Connor; a grandmother, Marilyn Swavola; and numerous aunts, uncles, and cousins. Joshua was loved by his family, friends, and community. He always had a smile, a wave, and a story. He loved his tractor, his camera, and his watch. A private funeral will be held for the family. They will greet friends from 3-6 p.m. on Sunday, November 29, 2015 at the Tuttle-Yeisley Funeral Home, Inc., Hallstead, PA. In lieu of flowers for Josh, the family requests that friends send flowers to their own loved ones in his memory to continue spreading the joy Josh was known for.

“ I am shocked and saddened to hear Josh has left us all. I remember when I taught you infant CPR that was a long time ago. I spoke to Mark on Thanksgiving but just found out on Yvette's facebook page. I am so sorry for your loss I know it is sp profound to loss a child that I never could imagine that pain. You were wonderful parents.

“ We will miss Josh and his big smiles and Hellos. It was a delight to see him with his dad at his grandparents house raking leaves. He would always show me his nice green watch and tell me about his tractor. He liked my dogs and would always ask about them. He always made me smile. We will miss you but will always remember that smile! God Bless your family and may he comfort them at this time. The McGraw Family-Tom, Brenda, and Andrew

“ Josh. You have touched so many hearts through the years. Your ever ending smile and your unique wave as we all went by when you were mowing on your tractor. Your 3 wheeled bike, with Dad in tow and stops to visit me. Your wonderful protective family who loved you like know other. You have taught us that there is love all around, a smile speaks many words and carried your disability like know other. You just kept moving forward. I am sure your grandparents greeted you in heaven and when we look up to a particular star and think of you, or find a penny on the ground we know you will be sending a message. May God hold you in the palm of his hand as you can run free now Josh. Love. Maureen

“ There are those special people who come into your life that you know the memory of them will never end. You know they have brought Joy, Happiness and made you feel like you were always special to them.. That would be Josh. He has taught all that have the blessing to know him many lessons on the simple special things in life. Kindness, Manners, Happiness does not come in material riches it comes in being good and kind to each other. The family who instilled in him those qualities should also be a lesson to us all on family love and the things in life that truly are what a family should be all about those who unconditionally loved and is loved my Josh. My favorite saying was always " The Love in your heart wasn't put there to stay, Love is not Love till you give it away". O will never for the lessons you and your family have all taught me as I make my own journey, called life....

And Becky Reed has told me so much about him over the years that I know what a great person he was. I pray that you can find comfort in knowing that Josh is with his Lord and his grandparents, who I'm sure have welcomed him home. May God bless you all and bring you comfort and peace.*

“ There a very few things that have stuck with me throughout my life as pure and as beautiful than the love that Jon, Jan, Eric, Jessica & Justin possessed for the wonderful gift that was Joshua Reed. Joshie was truly everything good in this world and had an amazing family to match. Jon & Jan, I don't know what else to say except your compassion and kind nature was noticed by anyone who has had the pleasure to know you if only for a day. Eric, Jessica and Justin, Joshua couldn't have had better siblings. I was always in awe of all of you and how remarkable you were with Josh. To the best friend I've ever had, Justin, you couldn't have been a better brother, friend and supporter of all things Joshua Reed. Lastly, I have so many memories of Joshie I couldn't give just one. The one thing that sums him up is that big smile.

I'm so terribly sorry for your loss. I love all of you as my own family and I hope you can rest assure knowing that you were all so wonderful to him.

Sincerely,

Stephen Maywalt
