“ Aunt Boo I already miss your smile! That smile could light up a dark room! I will never forget my daily visits to flying J to see you with the kids. You were there through both my pregnancies and after. You loved when I would bring the babies up in their little car seats you could carry them in lol. They will miss you as much as I do. Fly high Aunt Boo and I will see you again when God calls me home. I love you and miss you!

“ Karen was one in a million. She was kind, generous, caring, and helpful. My condolences to Karen's family as she will be greatly missed.
I had the pleasure of sharing her passion for travel and to work with her for the better part of 7 years. She helped me get my first professional job after I graduated from Mansfield University, that start helped me get to where I am today. Boo and I certainly had our fun over the decades and I will always remember her smile and laugh.
