“ Kathleen was a dear friend of mine whom I knew for the last 5 years during my membership with the Great Bend United Methodist Community Church. She was such a lovable, sweet, and marvelous woman and I still to this day treasure all the greeting cards she sent me during the time we got to correspond with one another. She was such a ray of sunshine but although I'll miss writing to her the first of the month and visiting with her in person at the congregation we belonged to what a comfort it is knowing she's watching over me, as she is all who had the benefit too know her as I did, and that someday we both will see each other again. Here's to "Kathy O." and thanks for so many wonderful years of friendship.

“ I am very sorry to hear of the passing of such a great lady! I knew her from being in the Methodist Church much of my life, and also as "Grandma Kathy" as my son loved her from Head Start. She was always giving hugs and making someone smile. She was very good at just being kind to whomever, no matter the circumstances or who it was. She will be missed, but never forgotten. We are praying for your family in this time of sorrow. God Bless.
