“ since it took me five months to go searching for you and I came to find this

*And Kathy, I know we end down bad terms because I didn't want to listen to your guidance or taking consideration what you were trying to teach me. I apologize that I didn't get a chance to say this to you. I was trying to connect with you this year to apologize to you and to let you know I understood where you were trying to help me and not do wrong to me it took me a lot of years to understand me. I have four beautiful children that are your great nieces and nephew. I'm sorry I couldn't amend or fixings before Time is already slipped and passed me by. I really wish you would've had a chance to meet your sister's grandchildren before anything and Uncle Chuck if you were seeing this, I do want to reconnect with you as a man I owe you an apology as well. I am sorry for your loss. I know how much you loved my aunt. I saw every chance when I was young Dumb arrogant, I envy that and I wish you the best.*

“ *I want to say how sorry i am for your loss. Heaven gained another angel. She will be missed in so many ways. I would see Kathy and Chuck Sunday morning in church and that's when we had van kids coming and you would see Kathy with her arm around at least one van kid that came to church. The kids loved her. She always loved children and her and Chuck were such a great testimony to those they were around.*

“ *I have so many fond memories with Kathy..sitting at her table in Florida enjoying her plentiful dishes, sitting in her living room having a quiet chat....I could go on and on.  
I need to thank God for having someone as kind and good as Kathy come into my life. For that, I am forever grateful.  
She is a true angel
