“ Keith and I were best friends growing up. I moved away 40 years ago and had limited contact in those years. Justin and Sandi contacted me a few weeks back so Keith and I could catch up over the phone. I'm so grateful that they did as the news of his condition just stunned me. I have many, many fond memories of those days and I will miss him dearly. This has been tough news to receive and my thoughts are with Justin, Sandi and your family. Be strong.

“ *My deepest condolence to ""Team Lord" . Keith was a straight shooter and always made me feel welcome when I would visit. He was always there for my daughter and grandchildren through the good times and bad. For that, I will always be grateful. They carry a part of him and the legacy will live on. Rest in peace.*
