“ We are sorry to hear of Ken's passing. We all enjoyed friendship with Ken when he worked in the old New Milford Elementary building. We had quite the group back then. One time he was in the Veterans Hospital in Wilkes-Barre. A bunch of teachers were going shopping at the Wyoming Valley Mall so we decided to visit Ken. As we got there, the building was so huge we had no idea how we would ever find him. Right inside the doors was a lobby with elevators. As we stood there, the doors opened and Ken was on the elevator! We all squealed as the doors closed. He stayed on the elevator and came back and we all had a good laugh. I also enjoyed the time that Lillian and Ken worshipped with us in the Gibson United Methodist Church. They were a wonderful couple. Carol Kostek
