Sam it seems so unreal to not have you here. A piece of our hearts are gone forever now. Such a friend to us through the past 43 years. We talked about this moment a few times but never got too serious. Now it hits really hard. God speed great friend. Hope to see you in the afterlife. Keep those furnaces running!

So sad to hear of your passing. Growing up with you and your family, we made some great memories. Thank you for always being kind to my Grandmother, who was your next door neighbor. You spent alot of time at our house when we were younger. I haven't seen you in years, but thought about you often. Another Angel has gotten their wings.
