“ Hi there, to the family of Leona. My name is Cindi McIntyre Breitkreitz. I am a childhood friend of Leona's older sister Eleanor and the family. I grew up with the kids and would frequently attend family get together and vacations with all the kids. My memories of Leona were that she was always a sweet and loving sister who also happened to be very good friends with my sister Robin. So there was always some sort of interaction with Leona either through Robin or my visiting the house frequently. I have been following Leona throughout the years and I have been so impressed with her life and the wonderful family that she has raised. Jesse and Brenda, my heart breaks for you and your family! She was a fighter till the very end and that is a true testament to her life and experiences throughout. I hope you will all find comfort in knowing she is with our Lord and Savior Jesus Christ!!!
