“ I used to go to the Davy's with my Aunt and Uncle Marie and Robert Beesmer. The thing I remember the most was the day he insisted I ride a horse that was supposed to be gentle as a kitten. I got on it and it took off and jumped the fence and into the barn to the feed bin and I ended up going in the bin head first . All the time all this was going on Lewis stood laughing his head off. They had a fresh bin of oats and he knew it would take off like that.

This was when were around 14 or 15 and I will never forget it and saw him in Walmart in Tunkhannock a few years back and said he remembered it too

“ To the Family of Lew Davy,

I offer my sympathy to your entire family, Lew was a great person and I had the pleasure of being in his company several times and had known him for a while. I first met him at the Endless Mountains Amateur Radio Club back in the early 90's and then was a member with him at the Susquehanna County Amateur Radio Club.

May he "Rest in Peace"

73' Lew
