“ *Geme M: I had the pleasure of meeting Mr. Ross and Mrs. Ross in the december of 2014... I would like to say that in a short period of time i have gotton to know Mr. Ross and im happy that i did... I met him through his daughter Laurie Ross... Mr. Ross was a very wise man and very funny too... My most memorable moments are of him smiling when we was talking about fishing for gold... I think Mr. Ross was tickled by the fact i didnt know much and fishing for gold and the many ways to tell when its fake gold... He smiled so hard when i made the facial expressions of confusion... I said Mr. Ross i dony know much about gold but i know a lil about computers.... You have always been nice to me Mr. Ross and you always have made me feel welcome and honored to even be able to call you dad and noy correct me! That alone told me a lot about how you thought and felt for me and someone thats close to your youngest daughter... I wish there was more that i could have learned from but the lil i did get to learn believe me you left a lasting impression on my heart mind and soul and i will never forget you❤️ Please Rest Well Dont Worry About A Thing Because God Got Your Family and Ill Do My best to Be There Much As I Can Mr. Ross and I Mean That... Love You PoppA Ross And Your Truly Missed!*
