“ I met Linda in elementary school and I can't remember too many days, for several years, that I didn't visit her home either before school, after school or both (even during, shhh). She took pride in her tidy home and warm meals, she was a great cook and warm hostess. Every holiday was represented in her decor. She would begin Christmas shopping in October,... She was very thoughtful. She always gave us space to be ridiculous teenagers and knew when to sit down and dish and with her charm to take things to a lighter note. If you wonder where Bethany gets her quick wit and sense of humor, meticulous cleaning habits and attention to detail, I have no doubt. Always an open door policy for her friends, she loved her daughter Bethany and was so proud of her every beauty and accomplishment. I know you're with your mom, grandma Kelly, in a beautiful place and will be watching over Bethany and your loved ones. Thank you for listening and being there through those sometimes awkward times and adding the laughter and celebrating in the exciting experiences. Rest in peace. Love, Sonya

“ *From the day i met her i just knew she would be a big ,beautiful part of my life . Best friend , confidante "grandma " to my children . She always knew how to make laugh and taught me how to make "light" of things when they seemed to hard to handle . I will miss our luncheons and talks and all the laughter we shared always . Thank you Lord for allowing her to share her world with me . I was truly blessed*

“ *I remember when I was younger, attending various cousins' weddings, and all four sisters and Uncle Jack just laughing and joking and having the best time. Very happy memories of that -*
