“ I had some fun memories of Aunt Linda while we were up to Grandma and Grandpa's house for Thanksgiving, Christmas and celebrating Independence Day. Aunt Linda loved to go to yard sales and visit her neighbors. I had a few sleepovers at her house while Grandma and Grandpa went to their cottage that they would spend during the summers. I learned a lot about Grandma through her. She helped me get a job at Donald Dean and Sons. I will miss you, fly high Aunt Linda. I love you and we meet again.

“ I knew Linda most of my life. She was always very kind and had a big heart. She used to stop by and visit with me when I lived on Prospect Street. I talked to her 4 days before the accident and that is the picture I see on my head, every time I think about her. She was loved by sooo many people in the Susquehanna Counties. 8 will never forget you Angel. Fly high and be with your family.

Beautiful and well said Sandy. She was always full of conversation and loved her pets as children. I can see them walking beside her.
