God Bless Phyllis, ooops I mean Lois and the very best to you and Art!! I recall coming to the house many many times over the years to see her do her needlepoint and read and watch tennis. She was a devoted mother to you Sharon and was also so kind to me as we shared many laughs! I still recall being invited to Thanksgiving that one year with her and her friends when I had no place to go. I hope the garden in the front still looks nice as well as the hydrangeas. Lois always loved when I brought flowers or dropped off a pumpkin for the porch or Valentine's gift. It was so nice to be able to share these memories. May you be blessed!! Sincerely, Jo Ann Bollettieri from East Hanover, NJ. I bet Art is spoiling you with steaks and such. He sounds like a wonderful man!!
