“ Growing up, we spent a lot of time visiting with Aunt Lo and Uncle Percy when they lived near Haskell, just outside Paterson. Mostly I played with Ronnie because you know, the other two were girlies. I will never forget the fun times. Then the family moved to PA just over the NY border and every now and then Aunt Lo and Uncle Percy would host the DE Rose family reunion. It was always a day of fun had by all. I will never forget my feisty Aunt Lo. Love and miss you Aunt Lo. 437.....
