

Lonnie L. Fisher

December 25, 1958 - November 14, 2018

LONNIE L. FISHER

Lonnie L. Fisher, 59, of Hallstead, PA entered into rest on November 14, 2018 following a courageous battle with melanoma. He is survived by his loving wife of 27 years, LoriAnn.

Lonnie is also survived by a beloved daughter and son-in-law, Stephanie and Christopher Brown; his siblings, Ronnie and Barb Fisher, Connie and Jack Margets, Donnie and Susan Fisher, and Bonnie and Kenny Gumaer; father-in-law and mother-in-law, Alan and Mary Ellen Logan; a brother-in-law Alan Logan Jr.; and numerous nieces, nephews, and friends, including, Rick and Theresa Rickard and family, Cindy and Jim Gillespie and family, Terry Franks and family, Susan and David Callendar, Rick and Dawn Franks, Richard and Teri Fancher, Lonnie's Amphenol family of co-workers, Patti Smith and all of Lori's clients. Lonnie was predeceased by his parents, Ronald C. Fisher in 2011 and Eleanor "Kewpie" Fisher, three days prior.

The family wishes to express their appreciation to the UHS Neuro Critical Care Team, Dr. Harris, Dr. Yalamanchili and staff, Dr. Haq and staff, Dr. Eder, and especially the entire team on North Tower II at Wilson Hospital. We wouldn't be the same without your caring support.

Lonnie was a Product Design Engineer with 30 years of employment with Amphenol. He loved his work and was the proud owner of 4 patents. Lonnie served on the Blue Ridge School Board for 10 years. He was a member and an adjutant of the Son's of the V.F.W. Post #6223 and also a member and the

finance officer of the Son's of the American Legion Post #357. Lonnie's favorite vacation location was on the beach, especially at Wildwood, NJ with all his family and friends. He enjoyed using his boat, golfing, woodworking, singing karaoke, and dancing. He was famous for starting many projects and never finishing them due to his extreme perfectionism. Lonnie consistently volunteered to help others and wanted nothing in return. His vibrant personality and ever present smile will be dearly missed.

A funeral service will be held at 11:00 a.m., Monday, November 19, 2018 at the Tuttle-Yeisley Funeral Home, Inc. Hallstead, PA. Interment will be made in Rose Hill Cemetery. Friends may call from 2-4 and 7-9 p.m. Sunday. Memorial contributions may be made to the American Melanoma Foundation, 8929 University Center Lane, Suite 202, San Diego, CA 92122 or the American Legion Post #357, P.O. Box 429, Hallstead, PA 18822 or the V.F.W. Post #6223, 386 Main Street, Great Bend, PA 18821.

“ Dear Madam Fisher,

let me introduce myself because you do not know me at all. I am Philippe DEFOSSEZ, Key Account Manger from the French company "Auxel", which is member of Amphenol since July 2016 now. If I was aware that Lonnie was very sick those past months, today only, I have learned that he has unfortunately left us... I met your husband only one time, it was when he visited us in France in June last year. That is why I cannot say that I knew him very well but what I can tell you however is that his face was showing clearly that he was a very kind person, always smiling, and our first talks had been thus immediately really very friendly. We can only remember such a good guy. I am sad for him and for you also, therefore, accept my very sincere condolences.

Kind regards

Philippe

“ *Lori and Stephanie.*

I first met Lonnie twenty years ago when, employed by another Amphenol Division, we engaged with AIPC in a joint design effort in support of a major Telecom customer. That program was a tremendous success due in no small part to the designs Lonnie created for the connectors/cable assemblies. I remember thinking at the time "This guy is good....I wish he was a member of my team". Five years ago I joined AIPC and found great comfort in learning that Lonnie was still employed here. I knew that, with Lonnie still in place, my task would be that much easier to achieve. I have worked with about 150 engineers worldwide during my 45 year career and can confidently state that Lonnie ranked in the top 3 product designers of all those. It wasn't just his technical knowledge that made him so good at what he did but his attitude and persistence. Lonnie entered every design review with a smile on his face and had a confidence in his efforts that was infectious. There were two words that weren't in Lonnie's vocabulary..."No" and "I am too busy". Consequently Lonnie was the busiest guy in the building because he couldn't say no. He always carried the heaviest load. AIPC truly was Lonnie's second family in every sense. He "raised" many young engineers through his mentoring and "provided financial support" through the revenue achieved by his many product designs. When you consider the hours he gave us, his AIPC family, I don't know how we will do without him. There is such a hole here that simply cannot be filled.

Lori and Stephanie, my heart aches for you knowing that such a wonderful part of your life has left too soon. It is said that we die three times, first when the MD states such, second upon interment and last when our name is no longer spoken. With this in mind I can tell you that Lonnie will be around for a long, long, time.

Please accept my sincere condolences and my hope that God will help you though this painful time.

“ *Lonnie was my lunch "buddy" at Amphenol for many years. He never stopped talking about Lori or Stephanie. He would make me promise not to tell Lori that after he ate the healthy lunch she packed him every day, he would go to the machine and buy sweets or junk food! He was a great friend and i will never forget him.*

“ Lonnie has been a dear co-worker for the last 30 yrs. No matter what was going on at work, Lonnie was always pleasant. He used to say "the sky is falling, the sky is falling" every time I went to his office with a question. He liked to pick on me, but Lonnie was the guy with all of the answers. I had to go to him for the right response.

I am really going to miss you, my friend. I remember over the years going out for a few drinks and karaoke with you, Lori, Linda and Helen. Unforgettable times.

I don't know if it is acceptable to say that I love you and will always miss you, but I think you do learn to love some of your work family, like a sibling, when it has been 30 or more years. Rest in peace, my dear friend!

Love, Melinda
