“ I am so saddened to receive this news. Lorrie worked with me for many years, maybe 20 or more. She was absolutely one of the best nurses I know, a strong advocate for her patients and coworkers and compassionate towards those who were hurting. She shared on a daily basis her love and care for her family. I appreciated the professionalism Lorrie consistently displayed and with a good sense of humor. She was missed when she left our work team so I know how much more she is missed by her dear family and friends. May the love of God and the many wonderful memories you have provide comfort in the times ahead.
