“ I have been blessed to have known Marjorie for several years. She enjoyed sharing her life with others and particularly enjoyed talking about her grandchildren. Marjorie always had a warm smile or hug for those she knew. I loved her gentleness. Marjorie is a beautiful and precious daughter of God who can never be replaced. She will be greatly missed. May we take comfort in knowing that Marjorie is surrounded by love and those who have passed before her. 'til we meet again my dear sweet friend.

“ Margie was such a loving person. I was inspired by her care for her father when he was ill, and later, of her friend Ray. I never spoke to Margie but that she talked of her grandchildren. She loved her sons and her grandchildren so dearly. I know that she is happy in heaven now with those who went before. But she will be missed by so many still here, including me. Fly high, dear Marjorie. With love, Jean Edwards
