“ Mom was an awesome mother-in-law and grandma to me and the kids. She accepted and claimed us as her own when i first met her. She gave Crystal her 16th birthday party at an instant notice. Made us feel like we were already part of the family before Dave and I got married. She would ask me every week when was the wedding? Love you mom. Wish we could have had more time with you. Rest in peace knowing that you are Loved by all who have known you. Can't wait to see you again in the next life.
