“ *My mother, Marilyn Cavanaugh, and I were able to get to know Mary Ann in a peripheral sense almost as well as in person. Her husband Donine was often on the same jobs with my late father. It was there and at my Lakeside home that we learned about her energy, talent for cultivating beautiful things, love of family, and generosity of both time and gifts. His concern for her and pride in her is memorable and a fine way for us to know and now remember this lovely woman.*

“ I remember Mary Ann showing me how to make arrangements when she had her Craft Shop on Randolph Road in Great Bend. I enjoyed trying to be creative but she had the natural ability to make absolutely beautiful arrangements. We had decades of wonderful memories. ...watching our children grow up get married have children.....to watch our grandkids in their school activities. ..sports...band...scholastic accomplishments. Mary Ann very seldom missed their activities. JAKE, AUDREY AND JARED were Mary Ann ' s pride and joy. We will all miss her loving caring heart and oh what a fashion plate!
