“ I am grateful for the many times we had together to bond, the laughs we shared and the troubles you guided me through. You were so easy to talk to even though I knew you would always speak your mind in the sweetest way. The void of not having you here is still very much there... you surely are missed Grandma. Til we meet again..

“ We have so many fond memories of Charlotte and will forever hold them dear in our hearts. From her soft spoken demeanor to her sometimes very dry sense of humor, she was always a joy to be around. She was a very special person and we are blessed to have known her.
