“ *Mel was the first person I met when we moved to the area back in 1990. We worked together at a small machine shop in Great Bend. I guess it was some type of machinist bond as over the years he was always a true friend, and picked up conversation like we saw each other the day before, even it was months since actually stopping to say "Hi". It was a comfort knowing Mel was right there, especially in a snowstorm. I am so sorry for his families loss. My wife and I will truly miss you Mel.*
