“ Nestor and Barbara have been an important part of the New Milford Area Rotary Club since long before I became a member. Through that association we became good friends. I will miss Nestor's ready smile and his readiness to pitch in whenever he was needed - barbecuing chickens at the annual fair has been a lot less fun without him. John Reynolds

“ A former neighbor and a fine man...the sort who just naturally helped, rather than watch. I still recall when he climbed INTO a huge car trunk to help my father and I retrieve a piece of even huger(sic) firewood we had no business with in the first place. The car, as though in a movie, rose by inches, so one can see what trouble it was. Our condolences and sadness in his passing... Martin, Nancy, Scott & Vincent Mosni
