“ To Laurie, Gail and families , my deepest sympathies on the passing of Pat. So many wonderful memories, went all through school together, from grammar school to high school. Fondest memories are of Rainbow with Pat, Heather and I. Off to dances most weekends. Will sorely miss her and our renewed friendship.

“ I went to school with Pat, in Brooklyn, NY. From jr high and high school. We had some awesome times together and even tho we hadn't talked for years, I still remember our friendship as something very special. I keep a picture of her and her sister Gail with myself on my dresser. So sorry for the loss.

“ Pat, we went through the same trials and tribulations that came from working together at Dedeco but then we managed to remain friends and to stay in touch long after we both left that employer. We shared the same high school graduation year and the ability to take business notes in shorthand when our job required it of us. Then you surprised me by showing up at my book signings when I published my books. We had a lot in common and I will miss you so much. I feel blessed to have known you and I know from our conversations that you are with our Lord in heaven. That brings me peace and the ability to accept my loss, which is now heaven's gain.

“ Lou and I remember Pat with so much love. She had an incredible lust for life, and her smile and wit warmed our hearts. She was always available to help friends and animals. To say that she will be missed is such an understatement, but Pat will absolutely be remembered, because she made a difference.
Our deep sympathy to her daughter, Laurie. With prayers, Marie & Lou Gurske
