“ I remember a couple of years ago going fishing out of Captree with Patrick and Kevin you could tell the man was really in his element. Something took me by surprise on the trip as we were motoring to the next spot he started hand feeding the seagulls off the back of the boat. I forget if I have a picture if I do I will post it

“ Patty was a good friend of my son Jimmy who passed 9 yrs ago. Back in 1976 I was selling camping tents and camping supplies to a man who saw my ad. Patty did all of the bargaining. He had a Morsans catalog and was a big help to me. We lived in Holbrook at the time. He was a very good person. I kept intouch with him on facebook. I will miss our little chats. I am sorry for his passing.
