“ *The best memories of my life would be spending weekends, holidays, and summer break with your son and all of our closest friends at your house. You put up with all of our hell raising for so many years and kept our group of friends so close that we all became family. Ill miss you more than words can express. You were the best 2nd dad anyone could ask for.*

“ He was such a big part of my childhood. He's one of the reasons my beautiful friend is on this earth. I wish I could thank him for always letting me crash at his house so I could see Kit. He always treated me like his own. He was a great guy. I love you Uncle Smokes/ other Dad.

“ My thoughts and prayers are with you in the loss of your loved one. I remember Paul as a little boy with curly blonde hair when Uncle John brought him over to Uncle Art's farm. I also got to met him again several years ago at a reunion the family had in New Milford, he was a very nice man. Your cousin, Cherrie
