“ Paul was a sharp man. He didn't speak often but when he did he spoke with a purpose and usually with a humorous twist. He will surely be missed but not forgotten. My heart and prayers and deepest condolences are with his family.

“ I severed with Paul and he is by far on a long list, and even short list of I'd go into battle with any day and know he'd do everything in his power to bring me home. I love him as a brother, but even more so as a friend. I wish ... I am praying he found his peace.

Until Valhalla brother.
