“ My deepest condolences to Paula's family. I pray for peace in your hearts as you go through this difficult time. Paula and I were dear friends back in the early '80s. (When we both lived in Binghamton). She and I used to go dancing at the clubs together, she was so into dancing. We had such a great time every time we were together. Paula will be dearly missed. She was the sweetest girl, and the kindest hearted person I knew. Dance with the angels now Paula. Until I see you again. 🕊️💕

Correction to my post, Paula and I were friends back in the early 90s not early 80s, we met when I worked at McIntosh in Binghamton.

“ When she was living in VA with us, I had come home and asked my Mom where Paula was, she said, down at the lake. Well, I was a little concerned her being down there by herself. Got back in my car drove down there. Parked, walked towards the lake to see Paula at the end of the dock having a conversation with a Canadian Goose. I said, I see you found a new friend, we both laughed.

“ I did not have the privilege of knowing Paula for very long, but I am very blessed to have been by her side as much as I was in her last few months. She was such a wonderful person and loved her family more than anything in the world. I know she is at peace and walking along the clouds with the loved ones she has missed over the years. I will always cherish the memory of her beautiful soul, and I know I will see her again someday.
