“ We spend our early years after becoming brothers in law working at the same places and enjoying the family times. Partying on the weekend with our wives. Hunting for deer in the cold weather. Trying to keep our cars running all the time. Walking with the wives and kids around the block, with a BLACK LABEL in one hand and other one in the back pocket. You will be missed by all that knew you at any time in their lives. Keep the candle burning. Stan and Diane

“ I worked over 20 years with Ralph at Crowley Foods. He and I spent some mornings after work playing pool at the Country Lounge. My condolences go out to Ralph's family. Ralph was a good man and friend.
