“ Over 20 years ago, Roger Cargill gave me Ray Stone's address because both Ray and I were descended from Calvin Stone and Nancy Cargill. We talked and continue to stay in touch over the years.

I learned of his death today in a letter from Ruth Swanson, his partner for many years. Ray was such a kind man who shared memories, a Stone family genealogy, and cemetery photos of the Carr Family cemetery. I will never forget.

My sincere condolences to Ruth, Ray's daughters and all their family members.

Sincerely, Judy Keller Morganti, East Aurora, NY
