“ *We didn't get to know Rhonda very long, but the thing that impressed me most about her was her love of her family and our son, Gary. We enjoyed having her visits and getting to know her better with each visit. She was a wonderful woman and mother. She enjoyed telling us about her sons and daughter. She loved you all very much.*

“ A heart of gold stopped beating
Two shining eyes at rest
God broke our hearts to prove to us
He only takes the best.
God knows you had to leave us,
but you didn't go alone.
For part of us went with you,
the day He took you home.
To some you are forgotten, for others just part of the past,
but to those who loved and lost you,
Your memory will always last

I'm really sorry to hear about Rhonda. My thoughts and prayers are with you all. ((Hugs))

“ I have known Rhonda for many years as I have driven Brittany to school most of her life. And gotten to know her and always remember her patients and love for Brittany. My heart goes out to you all at this time. As these children are left without their mommy. I am saddened by this. Prayers for you.

“ *To say she will be missed dearly is an understatement..we were thick as thives growing up, never one without the other. As we grew older we would see each other at the stores and chat but not as close as we once were. Life happened and although we were not as close as we once were my best friend she will always be. I love you all as my family and will see you Wednesday.*
