RICHARD W. KRAYESKI

Richard W. Krayeski, 64, of Great Bend, PA peacefully entered into rest on June 22, 2022 following a brief battle with cancer, surrounded by his beloved family.

Rick is survived by his dedicated loving wife of 36 years, Pamela; his four sons, Robert Zembek, Jason (Cary) Zembek, Jason (Brandi) Krayeski, and Brad (Heather) Krayeski; five grandsons, Alex, Brandon, Carson, Kamden, and Kendel; two sisters, Linda (Terry) Hall and Carol (Tom) Blawn; and several nieces, nephews, and extensive extended family. He was predeceased by his parents, Ed and Janet Krayeski; and by a brother, Gary Krayeski.

Rick graduated from Blue Ridge High School in 1975 and began his career with Eureka Tent and Awning, where he met his soul mate, Pamela. From there he worked at Brenton Industries, Fonda, NY, to Birch Cutting in Scranton, PA, to First Option, where he finished his career. Rick was full of energy and cared for others. He was a certified EMT with Hallstead/Great Bend Ambulance Service, a volunteer fireman with Hallstead and then Great Bend Fire Departments, a dive rescuer with Scott Township, and worked closely with the Susquehanna County Coroner's office. He enjoyed photography and photographed many weddings over the years. Rick and Pam were foster parents through Susquehanna County Kids Peace. Rick and Pam co-owned Krayeski's Country Café in Great Bend for 18 years.

With all of that, Rick still managed to enjoy time with his family, camping along the Susquehanna River in Kirkwood, and making life long friends. Rick had quite a sense of humor and had a way of telling stories.

A celebration of his life will be held at 2:00 p.m., Sunday, July 10, 2022 at the Tuttle-Yeisley Funeral Home, Inc. Please consider a memorial contribution in his memory to your local volunteer service, your local humane society, or enjoy “just a cheeseburger” at Burger King to remember him.

“ Every family gathering we had, starting with their cabin on the river in Conklin, Rick was the man getting it all ready. When the cabin had to be torn down, Rick & Pam shifted gears and began turning their camp property in to a camper's paradise. He put a swing on the huge tree for his grand kids to ride on He was the ultimate grill master preparing meat for all who were present. Every night, we sat around a huge campfire, Rick made sure there was plenty of firewood to burn all night. Guy & myself have so many wonderful memories of those times we spent around that fire and listening to all the wonderful stories he told to his campfire family. He was, in our opinion, the kindest, most generous, humble, sweet, thoughtful and just plain loveable human being we have ever had the privilege to know. He & Pam have raised their sons to be responsible, caring, & loving people. Rick will be remembered for so many things by all of his family & friends. You just can't forget his infectious laugh, his adorable big grin and his ability to make you feel like we are the luckiest people in the world to have known him. Rick Krayeski, you were one of a kind and our lives are richer for knowing you. You will be missed .

I worked at eureka tent when Rick was one of the mechanics. He's the one who introduced me to his friend, Ted Winnie. He was very well known around the communities and will be missed by many. Prayers go out to Rick's family.

Pam & family, I'm sorry for your great loss. I worked at Eureka with you & Rick. He was always kind, helpful, respectful and very attentive to his work. You are in my prayers.
