“ Jerry and I have grown to love Bob and Wanda since they became part of our family when their son, Bill, married my sister, Margo, 36 years ago in August. We have enjoyed visiting them when we return to PA for family reunions each August. Bob loved to have his picture taken, so we have quite a few of Bob and Wanda. One of my favorites is of Bob standing in front of his gorgeous rhododendron bushes. I keep that one on my refrigerator door.

We love you Wanda and hope to see you in a few days. I wish we were there now to attend his memorial service. We will be there in spirit and you and your family will be in our prayers. May God give you His perfect peace and comfort in the days and years ahead.
Love, Gloria

“ *So many memories and good times with Bob from hunting seasons, to pop in visits that many times meant dropping off veggies from his garden. Always a laugh and never a mean word. So sorry for Wanda and the rest of the family. Too much to share here but we send our sincere love and know you have been left with a legacy of memories that will always be shared and cherished. Our love to you all.....John and Jan Jennings*

“ *I remember Bob as one who always kept himself busy around his house, his yard or tending to his garden. I also remember that the entire family went deer hunting every winter and it was not uncommon to have two or more deer hanging from the tree between their house and ours. He was a very friendly person and an all around good person. Our deepest sympathies to all of you. Sincerely, Craig, Sheri & family*

“ Bob was a friendly and jovial person. Rudy knew him and Wanda most of his life. I remember when we bought our home he and Wanda were coming to a dinner at the Gibson Church and when he saw us sitting on our porch he drove right up through our yard into a parking space. Got out of his car and was laughing and laughing. Once we saw who it was we laughed too, Good memory, thanks for the laugh. Our condolences to your entire family. Rudy & Donna Testa
