“ We really enjoyed having Bob at TAHS! He was always the favorite sub for many years and he was always a pleasure to have around. As the school secretary (in charge of coordinating our substitutes), we became very good friends and I was sad when he no longer was able to come in. Even afterwards, we kept in touch via text and he was always so supportive of my kids, especially my son who became an Air Force pilot. I wish Debbie and all of his children my sincere condolences. I hope he's resting in peace. L & K, as Bob would say!

“*Mr. Guy was a light at Tunkhannock Area School District. He subbed for many classes during my time as a student. We knew if Mr. Guy was on duty, it was going to be a great class! He was incredibly kind & one of the funniest people you'd ever meet. He always knew how to make the students laugh. Each year, we would all look forward to hearing him sing "Sleigh Ride" during our school Christmas Show. Mr. Guy was a legend, and he'll be missed.*
