“ Our thoughts and prayers are with you at this very difficult time. We didn't get to know "REDS" but Steph has nothing but wonderful things to say about Him and your wonderful family. We have been bless to have Sam as part of our family, you have raised a wonderful son. Its hard to look back and say, why we left so many years pass without getting to know you all, but Steph has shared all the memories she had with you all. I remember one thing, she said that Red told Sam that "She's a Keeper" and of course she reminds Sam that almost every visit.

May you find strength in each other and may you cherish the memories. May you know that others share in your sorrow and our prayers are with you.

One of the "Nice Guys" that you do not have the opportunity meet every day. Fought the good fight. He is still in my prayers.

I did not know Bob well. But I did have the pleasure of talking with him on several occasions when I was visiting our family farm, just down the Highlands Road from where he lived.

Bob was a true gentleman. His sense of humor and wisdom were manifest in everything we discussed. I wish I had the opportunity to get to know him better.
