“ Bob is my brother and it saddens me terribly to have heard today (12-10-20) of his passing. Sadly, we were not raised together but as adults did speak on the phone. When I was 18 Bob and a friend rode their motorcycles to the west coast to visit me. Unfortunately I was at work so Bob turned around and headed back home. We finally were able to meet at our Dad's home in the early 70's where Bob was able to meet my two children.  
My condolences to Linda and my niece Bobby Jo.

“ *My best memories of Bobby were first at his Grandmother Florence's house. We lived just passed their home and my mom, I and sister would stop after school and she would give us yummy freshed baked sugar cookies and a large glass of milk. I remember Bobby always fixing things and whenever I saw him he would call me Chrissy. He was the only one who got away with calling me that. Bobby loved to visit. I loved his fish shop. My Aunt Joyce and I stopped there a lot. I wish I had stopped more often as an adult although I always beeped going by their house and he would wave. Linda, you were a great wife to Bobby. I pray you just keep smiling like Bobby would want you to do. Remember the good memories. God bless you. David and Chris Hall*
