ROBIN KAMINSKI WALDOWSKI

Robin Kaminski Waldowski, 57, of New Milford, PA passed away at home on March 13, 2016. She is survived by her loving husband of 20 years, Joseph "Mojo" Waldowski; a beloved son, Gabriel; her parents, John and Beverly (Bailey) Kaminski; a sister, Tammy Kaminski D.C.; a brother, Jeffrey and Becky Kaminski; her mother-in-law and father-in-law, Joseph and Dorothy Waldowski; numerous extended family members and friends.

Robin was a dedicated teacher, focusing her special skills working with the disabled and less fortunate children, through creative arts and therapy currently with YAP, Youth Advocacy Program. Formerly she worked with anti-violence and anti-drug programs called The Banner Project and Peace Tools, in Philadelphia, promoting conflict resolution and peace. Robin was an award winning artist and sculptor. She had an interest for all arts, participating in Endless Mountains Theater Group. Her passion was using The Arts as a therapy to heal the hearts of everyone she met. Robin overflowed with compassion and her vibrant personality made her beautifully unique.

“ *I met Robin in the late '80's as a young woman looking for different things than many of my peers, though I did not know quite sure what. I met Robin, Indigo, Aschak & other Peace Tools artists & my creative life began. I spent many weekends with Robin & friends making art, dancing, exploring the city & nearby countrysides. We painted murals, wrote songs & loved our work with children so much!*

I'll cherish the countless memories, the children's smiles, the beautiful essence of my beloved sister friend Robin!

She helped me grow & enjoy life in so many ways & I plan to continue celebrating her life & all the wonderful things we enjoyed about being alive & being artists, friends... sisters! She touched so many... may her light continue to spread through all of us!

“ *During the late 80's and early 90's I lived worked and played with Robin in Philadelphia as we transformed some of the violence into creativity in the city as a merry band of artists who called themselves Peace Tools. We also went into the schools with a program founded by Pecki Witonski--The Banner Project--that took us to the Soviet Union in 1990. An other transformative journey. Robin's spirit is with us as we remember her dance, poetry and grace and joy. Thank you for being with us on planet Earth. Love Indigo*

“ *Robin came into our lives, as my daughters YAP worker and even though we didn't always see eye to eye on everything. I really respected her opinions on things. I know she loved her husband an son so much. Much love to them both an all her family. Our last meeting we were working on Vision Boards, which we will definitely be finishing an updating throughout our lives. We had spoken about the summer, she was telling us about how she was going to work at a camp an do her art therapy type things.*
