“ *Jan,*

I was so sorry to hear of Roland's death. I wanted to attend his Viewing today and express my condolence personally but am still recovering from the surgery that I had 3 weeks ago. When things "settle down" and I am in the area, I plan to call you to hopefully schedule a visit.

I always enjoyed my visits with Roland and you. Roland impressed my as a "gentle" man who loved you very much as did you love him. You were very caring and supportive of Roland which was a witness of your love for him. I know keeping him home was difficult for you and your family but I never perceived any hesitancy to do so.

I know his death will be difficult for you but thank God you have such a close and supportive family.

Roland, you and your family are in my thoughts and prayers.
