“ *Bill and I will always remember Ron for the beautiful castle he built in New Milford. In fact, Bill & Don Johnson helped put up the stairs in the castle. He always had a very giving heart. Hoping to see him in Glory some day !*

“ Ron Hall was not only my scout leader many years ago but also my son's scout leader and helped him grow into a scout leader also. Ron was always sure to make a Sea Scout Ship 90 Newsletter and sure to post pictures and encouraging articles about each scout in the paper and was one of the best enthusiastic leaders I know. I have known Ron & Joyce Hall and their family since my youth when my parents moved up here and my mother befriended Joyce Hall (his wife of 52 years) and was a family friend thru these many years also and some of the funest times we all had was at their home swimming in their pool and viewing their beautiful family heritage castle that Ron built himself and enjoying their family and the company of the Sea Scout Ship 90 Crew. Our families sincere sympathy goes to all their family!

“ I went to school with Brian and one of my vivid memories is him talking about the castle his dad was building, being a little kid that was pretty impressive but to read about it in the paper 35 years later and see what it became was amazing. RIP Mr. Hall

“ I just really appreciated how Ron was so good with the kids in Sea Scouts. My two daughters were both in Sea Scouts and Ron was an inspiration to many of the kids. He was very dedicated in what he did. You could rely on him if he said he would take care of something you knew it would get done. Thanks Ron for your dedication in helping our kids learn so much. We are going to miss you.

I'm living in TX and just learned of Ron's death. My thoughts and prayers are with the family during this difficult time. Every summer I'd come up and bring along folks who hadn't seen his castle. He always insisted on walking with us and sharing all the details which was so nice of him. Our mutual friend was Ira Reynolds. Susan Wilder Morgan
