“ *My fondest memories are all the times I spent in the deer woods hunting with Ronnie. We had great times fishing on the banks of many lakes and ponds as well as on the ice of the same lakes and ponds. Those memories have been held in my heart and will never be forgotten. Even though we lost touch over the years whenever I'm sitting on stand in the deer woods I reflect back to the days I spent in the woods with my mentor and cousin Ronnie. My name is Freddie Strausser and I will miss you Ronnie very much.*
