“ Our sympathy goes to out the family of Mrs. Stanton. She touched the lives of so many people in so many ways. She was a friend, a mentor, a leader, a humanitarian, and a hero to a group of young girls in a singing group called the "Freedom Express".. She gave of herself often and on many levels, unselfishly and lovingly. She lead by example, which is one of the best gifts you can give a young person. She taught us love, dedication, responsibility and joy...all at the same time. She will be missed, but the ways in which she touched others lives will live on forever.

*You're in our thoughts and prayers at this sad time,*

*Before our mother (Bernice Shimansky Mead) passed 8 years ago, Ruth was one of the last friends that she was able to visit. Our thoughts are with you all at this sad time.*
