“ I have recently been informed of Sandy's passing...and I was so surprised. Just look at that face, she was a great person and friend to so many. I met her through real estate, and thus was lucky enough to have many a sweet visit in her little glass room with her doggie (she only had one then.) I would have loved to have seen her incredibly beautiful home be made into a lodge or bnb or someone. That is a once in a lifetime home to have the privilege of listing and sharing the sights with people.

My thoughts are with the family and am hoping good health and love is strong and growing. I am sure Sandy is surely missed...she was a very cool person to us all.

“ Sandy was a classmate and friend at BRHS. Over the years we lost touch until the last few years. I was so pleased to connect as adults and see how Sandy had much success in her life. I send my sympathies, thoughts and prayers to her family.
