“ *I have only known Scott for a few years now. Sydney his daughter, and I have been close for about 6 years now. One memory I would like to share is one weekend Sydney, Paige and I decided we wanted to go shopping at the king of Prussia mall. We stayed at Scotts house and that would have been the first time I met him. He was such a welcoming person. He made us a pizza and some other kind of snack. Sydney told him that he didn't have to we could cook ourself vs but he refused. We were guest. One thing I'll never forget is his cat being so devious and keeping me up ALLL night. In conclusion I would just like to say that he was a great guy and I thank him for giving me such a caring friend. Sydney was there for me when I lost someone close and I promise to be there for her and her family. Nothing is more comforting knowing you have someone watching over you and protecting you and he is doing just that.*
