“ With my deepest sympathy to all of Sharon's family. I met Sharon when we were in the 6th grade in Montrose, PA. I enjoyed being her good friend and all the times that we had together. We both used to love playing cowboys and riding our make believe horses on the property where she and her family lived. Our dream was to some day have a horse. Sharon did get her wish but mine was not to be. After I moved to first Philadelphia and then to California we lost touch. I am so happy to learn about the wonderful life with family and friends Sharon has had. She was a good friend to me. Love and Blessings to all of her family.
