“ I remember sharing so many trips and parks with Shirley and her children and my children just loved hers. We would stop and take her to church with her car was not working correctly. And we all fit in my little car and we left an awful lot about that. I remember she was one of the three little pigs with Shirley Witling shirley buttonAnd Shirley Best, Beverly Root what is the big bad wolf. I have so many fun memories of her.

“ I was sad to hear of Shirley's passing. She was so sweet and would bring some of her freshly baked goodies to our office for us to share. Sincere sympathy to all of the family and friends. God Bless.
