First, my deepest sympathy to the family. Some of you I have known for years, others never met. Second, I have to say that Susie was the first one to befriend me when I began work at Putnam Pub. We became quite close and I was blessed to have known her and worked with her. She is not and never will be gone from me as almost daily, one of her sayings or bits of wisdom come to mind. Most all of the time, it makes me smile. Susie was a treasure and she lives on in my heart.
