“ *Dear sweet Teri. I will never forget how truly special you were in my life. Our lives moved in separate directions after 20 years of such a beautiful friendship. Although we didn't get to see each other, you hold truly a very special place in my heart. I will never ever forget the time I lit my bangs on fire and you kept slapping me on the forehead until it was out. We laughed about that for years. Also the hilarious captain and crew golf tournaments with Teddy and Becky. There are too many memories to mention. My heart is broken at the news of your passing. Heaven has received a beautiful angel and my prayers for your family are said in earnest. I pray that you all can find a peace in your hearts for the loss of your sweet angel 🙏❤️*
