“ *Daddy i love you and miss you so much its hard getting through the days without you. I pray day and night telling God to tell you i love and miss you. Things arent the same down here without you. They never will be the same. Im sorry i wasn't a perfect son but im walking in your footsteps you left behind for me. Teaching me whats right and whats wrong. I listen to our song "Watching You" by Rodney Atkins almost all the time when i think about you. i love you daddy so much. I wish heaven had visiting hours god knows id never come down id wanna be with you. I found the love of my life. Her name is Megan. The day you left us when god took you because he knew you were suffering i asked him to send me an angel. The day after you went to be home with God he sent me Megan and we have been together ever sense that day. Moms doing great she found another great guy to be with to marry to have an to hold like she did with you. Shes happy and i know thats what you would want is to see her and us boys happy. Mom and i love you and im sure if you got to meet Megan you would love her too. I got enrolled through school because of her nudging me saying i can do it. I didnt think i could but i did. I guess thats about it i love you daddy. You're gone but never forgotten.*

*LOVE ALWAYS,  
Your Little Brown Noser

“ I didn't know you well but I do remember you use to come to our home when I was a lot younger with uncle bill. You use to give me piggy back rides all the time. I'm so sorry I didn't get to know you better. You are probably in a better place now but I know you would be very much missed by so many. I hope you watch over everyone who's always been there for you. You were and will always be my cousin!
