“ Dawn and family, I am so sorry to hear about the passing of Theron. I have been friends with Theron for more than 55 years . We had many good fun time together along the way .I especially remember the time up at the lakes with your boat .Remember the good breakfast you would cook. Theron always call me old salty , remember? I still remember the time he wanted me to follow you guys across Lake Ontario to Canada in my small 14 foot boat, but I had just met Irene, later to be my wife and I had to make the decision do I go or go back home to see Irene. If I hadn't made that decision to go home I probably would not been married or maybe alive . As you remember a bad wind storm came up during the crossing and my 14 ft boat probably would never have made it across. There are some experiences in life you never forget and some people you will never forget and Theron sure was and will be one of them. God bless you and your family during these difficult times and We will remember you and Theron in our prayers. Norman and Irene Hope Melbourne, Fl.
